

## GAEA's PRINCIPLE VISION :

To be the absolute leader of the category of Mediterranean Greek cuisine.

To confirm the absolute leadership , especially as a World Authority in Top Quality Extra Virgin Oil -

Also , to promote meze in the international fine foods arena, synonymous with quality traditional, authentic and innovative Greek specialty food products and establish internationally , the Greek meze as the authentic Greek Mediterranean lifestyle and cultural culinary experience.

The Gaea product range offers all the tasty ingredients, indispensable for the finest, traditional Greek cuisine. These ingredients are exclusively of the highest quality, "naturally grown" in the fertile earth of Greece, sun- ripened and traditionally harvested. It is important for Gaea to preserve and to optimize what "Mother Earth" has offered to the people.

Gaea travels all around our country and its many islands to select only the finest products. From Extra virgin olive oil and olives to sundried tomatoes and other authentic Greek treasures
