

## **ALLSEAS MARINE S.A.**

**ALLSEAS MARINE S.A.** was established in the year 2000, emerging as a natural development from the successful operations of Eurocarriers S.A. Group (founded in 1993). **ALLSEAS MARINE S.A.** was initially dedicated to the operation of tanker vessels, thereafter expanding its activities to the management of bulk carriers and container vessels. Currently **ALLSEAS MARINE S.A.** manages 11 bulk carriers and 7 container vessels.

Over the years, we managed to attain **a leading position in the shipping industry** as a whole. Our commitment to the highest **quality, integrity, safety** and **environmental** standards and our continual quest for **business excellence** and **business ethics** has ensured us, today, an excellent reputation as **a first class cargo carrier**.
