

ABOUT COCO-MAT

COCO-MAT is a sustainable lifestyle brand specialized in natural home and sleeping products. From origin Greek and established in 1989, is COCO-MAT now a day a recognized leader for natural home products worldwide. COCO-MAT has a growing network of stores in now seventeen countries and is proud to supply their products to consumers and hotels anywhere in the world. COCO-MAT is committed to manufacturing the best beds in the world in the most sustainable way possible. COCO-MAT beds consist of multiple layers of natural materials, providing optimal, elastic support to the human body, without the use of metal springs. All their products are made from natural materials from renewable sources, such as coco fiber, natural rubber, wool, cotton, sea grass, horsehair, silk, linen, wood and goose down. COCO-MAT has been rewarded with several awards in the eco, sustainable, social and environmental friendly trading area.
